Hip to Be Square

ITALIAN BATHROOM BRAND SCARABEO DOES ITS BIT FOR THE CUBIST MOVEMENT...

Designed by Emo design for Scarabeo Ceramiche is Cube, a mini washbasin with a bold look. Its compact dimensions make it suitable for smaller washrooms whilst the deep bowl ensures it is practical for hand washing in a limited space.

Cube, which will be launched in Milan next month at the International Bathroom Exhibition taking place as part of Il Salone del Mobile, is the latest product to result from an ongoing collaboration between the Italian manufacturer and design studio. **d**
